 Windows 8

WINDOWS REIMAGINED.

An all-new touch interface. A new Windows for new devices.

GEEK SQUAD GUIDE TO WINDOWS 8

WE'RE HERE TO HELP

ACCESS THE START SCREEN

Windows 8 was built for touch, but still delivers amazing experiences with a mouse & keyboard.

- TOUCH:** Swipe in from the right edge and tap on the Start icon
- MOUSE:** Click on bottom left corner of screen
- KEYBOARD:** Press Windows  key

MEET THE CHARMS

The Charms help you do the things you do most often, like search, share links and photos, connect devices and change settings.

HOW TO ACCESS THE CHARMS:

- TOUCH:** Swipe in from the right side of the screen
- MOUSE:** Move the mouse pointer to the upper-right or lower-right corner
- KEYBOARD:** Press Windows  key + 'C'

WHAT ARE ALL OF THE DIFFERENT CHARMS?

- SEARCH:** Find apps, settings or files on your computer or the Web
- SHARE:** Send links, photos, and more to your friends and social networks or share between apps without leaving the app you're using
- START:** Brings you back to the Start screen
- DEVICES:** Send files to printers and other devices, stream media to Play To devices, or even share to another screen
- SETTINGS:** Access settings for the particular app you are in or adjust settings for your PC

SHUTTING DOWN YOUR DEVICE

Closing down your Windows 8 touch or mouse & keyboard device is a little different than what you've been used to.

SETTINGS: Find your Settings icon on the Charms bar, select the Power icon and select Shut Down

WINDOWS STORE APPS 101

Apps pull contacts, photos and services together and make it all available from a single location.

- PEOPLE:** Your most complete address book. This app connects all of your social networks and contacts into one location (Facebook®, Twitter™, LinkedIn®, phone contacts).
- WINDOWS STORE:** Find additional apps for your device.
- MAIL:** See all of your e-mail accounts in one place – whether it's Gmail, Yahoo!, your work e-mail or more. (Note: This app does not support POP3.)

NAVIGATE YOUR APPS

TOUCH DEVICE

- SWITCH:** Swipe in from the left edge to switch to the most recently used app
- APP COMMANDS:** Swipe from the top or bottom to reveal app commands
- CLOSE:** Hold the top of the app and drag to the bottom of the screen to close an app
- ZOOM:** Pinch to zoom out or stretch your fingers to zoom in
- SCROLL:** Drag your finger across the screen to scroll through pages

MOUSE & KEYBOARD DEVICE

- SWITCH:** Move the mouse pointer in the upper left-hand corner and click to switch to the most recently used app
- APP COMMANDS:** Right-click anywhere to reveal app commands
- CLOSE:** Click the top edge of the app and drag to the bottom of the screen to close an app
- ZOOM:** Click the minus icon in the bottom right corner to zoom out or click on the screen to zoom back in
- SCROLL:** Move the mouse pointer to the edge of the screen to scroll
